

#24: See you in 2018

Only two days left until 2017 comes to an end.

What a year it has been. It has been a year of interesting, frustrating and wonderful developments in our legal field. It is also safe to say that 2017 has been an exciting year for us. Our firm Hertoghs advocaten has started a new office in Amsterdam. And we are able to say we made an amazing start.

The year 2017 was a good year in which the various legal development highs and lows have passed in review. One thing is certain; these developments provide opportunities which we can and should share and use. We hope to have given you inspiration to do so.

For now; happy holidays and see you in 2018!
